Consult your local ticket agent for plane, train and bus service as this sale can be easily reached from any section of the country.

## **DELIVERY OF SALE CATTLE**

Seeing the cattle you purchase reach your farm promptly with a minimum of effort and expense to you is a job we will gladly do.

## **IT TAKES PLANNING TO MAKE PROGRESS**

Everyone in the beef cattle business, whether purebred or commercial, is continually striving to improve the quality of their cattle. Intensifying the good features, selecting for better individuality, staying with the factors that are basic in the production of beef, are blueprints for progress.

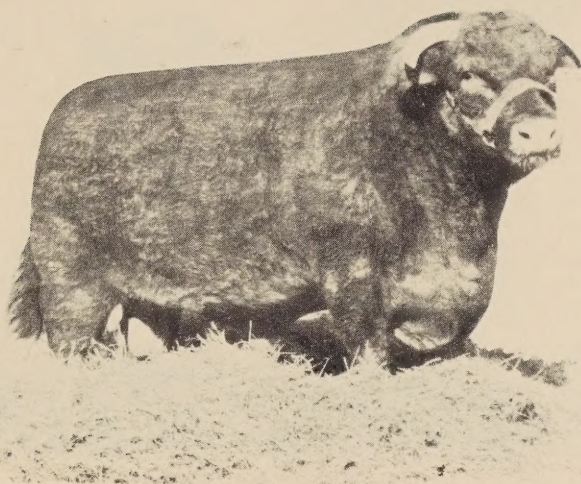

The Scofield's have followed such a plan for over 50 years, and the 55 lots of cattle that are selling in this sale, will prove to anyone that they have been successful.

It was a pleasure to spend some time with Vernon Scofield in selecting the cattle for this sale because they had agreed that this would be a "Sale of Tops". The kind of cattle that it takes to make such a sale were there and we tabbed them for this sale. They are backed by the kind of pedigrees that guarantee breeding power for their new owners. You are being offered show winners and cattle capable of producing show winners. Take a look for example at the lot 54 in the catalog, Circle M Promise, out of the \$8,000 Perth reserve champion female and sired by a son of a Perth champion. There is only one place where you can buy breeding combinations like this and that is at the Scofield Ranch on May 5th, because I assure you that you will find both bulls and females that will help you to carry out your own plans for the production of better Shorthorns.

**MERVIN F. AEGERTER, Sale Manager**

### Uppermill Conqueror

To further set the type of the great breeding cow Crocus Celia (259116) that is doing such a grand job for James Durno at Uppermill, we purchased this exceptionally deep, short legged, heavy boned, mellow fleshed bull, a maternal brother to our senior herd sire Uppermill Comrade, and sired by Bapton Upright who needs no introduction to Shorthorn Breeders of the last ten years.

**Kamar Beauty King**

This is one of the nicest young bulls that you would want to see, his dam Kamar Beauty Queen stood 2nd at Ft. Worth in a very strong class and if this calf is carried on will make a real show calf. He was a member of the 1st prize pen of three junior bull calves at Ft. Worth and received many favorable comments. His sire was bred by Scofield Ranch and was shown with success in the Southwest.

This is a solid dark red calf that we are very proud of, a number of the best breeders of the middlewest who saw this calf in Ft. Worth considered him one of the best calves they had seen in America in 1951. This calf is a straight Cruickshank Duchess of Gloster and you can buy him with all confidence that he will make a great sire. He also was a member of the 1st prize pen of three junior bull calves at the 1952 Ft. Worth Show.

# Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
